Canon recommends you use Canon Media for the best results. Please check media (paper) compatibility list to see which variety of paper/media is recommended.

Genuine Canon ink cartridges are developed together with Canon large format printers as an important part of the large format printer printing system. Advanced technologies achieved by our research and development activities are incorporated into these ink cartridges. For optimum performance of Canon large format printers, Canon recommends use of genuine Canon ink cartridges.

# Precise Productive Collaborative

Large Format Print  
Solutions for CAD/GIS  
and AEC applications

Canon imagePROGRAF large format print solutions offer speedy, accurate printing, scanning and sharing workflows, and can be seamlessly integrated into the busiest environments.

Designed to fit into the complex workflows of architecture, engineering and construction, Canon imagePROGRAF printers are easy to use, super productive and able to handle the most demanding applications.

## Which printer is right for you?

With a choice of 5-colour dye or 6-colour pigment ink printers, ranging from 17" to 44", there is certain to be one that suits your needs. If you're looking for a simple-to-use, entry-level printer that can be used by individual users (including large print novices), or a highly productive printer that delivers the highest levels of accuracy and print quality for large, complex workgroups, then we have the right one for you.

### 17" (A2)

- iPF510
- Feature-packed
- Precise line rendering at speed.

### 24" (A1)

- Feature packed, entry level: iPF670, iPF610
- High productivity, with high capacity ink tanks: iPF680, iPF685\*
- Sheet cassette on iPF610.

\*plus built in HDD

### 36" (A0)

- Feature packed, entry level: iPF770
- High productivity, with high capacity ink tanks: iPF780, iPF785\*
- MFP option available on all models.

\*plus built in HDD

### 44" (B0)

- iPF830, iPF840, iPF850, iPF8400SE
- MFP option available on all models
- High productivity, range-topping quality
- Roll-to-roll printing option on iPF830
- Dual roll on iPF840, iPF850
- High capacity stacker on iPF850
- Long display pigment-ink prints on 6 colour iPF8400SE.

# Seamless precision

## MFP functionality

Total workflow system for scanning, archiving and sharing

Designed to meet speed and precision requirements of CAD/GIS users

Large, easy-to-use touch screen interface with dynamic preview

Scan-To-Copy/File/Email/Cloud Connectivity and print functions

Scans images up to 40" wide up to 13" per second (in monochrome)

Integrates with iPF770, iPF780, iPF785, iPF830, iPF840, iPF850, iPF8400SE.

## Added value

AutoCAD optimised driver, Direct Print & Share, Accounting, PosterArtist Lite Software, Plug-ins for Microsoft Office®, support for HPGL/2 and HP-RTL.

## Innovations as standard

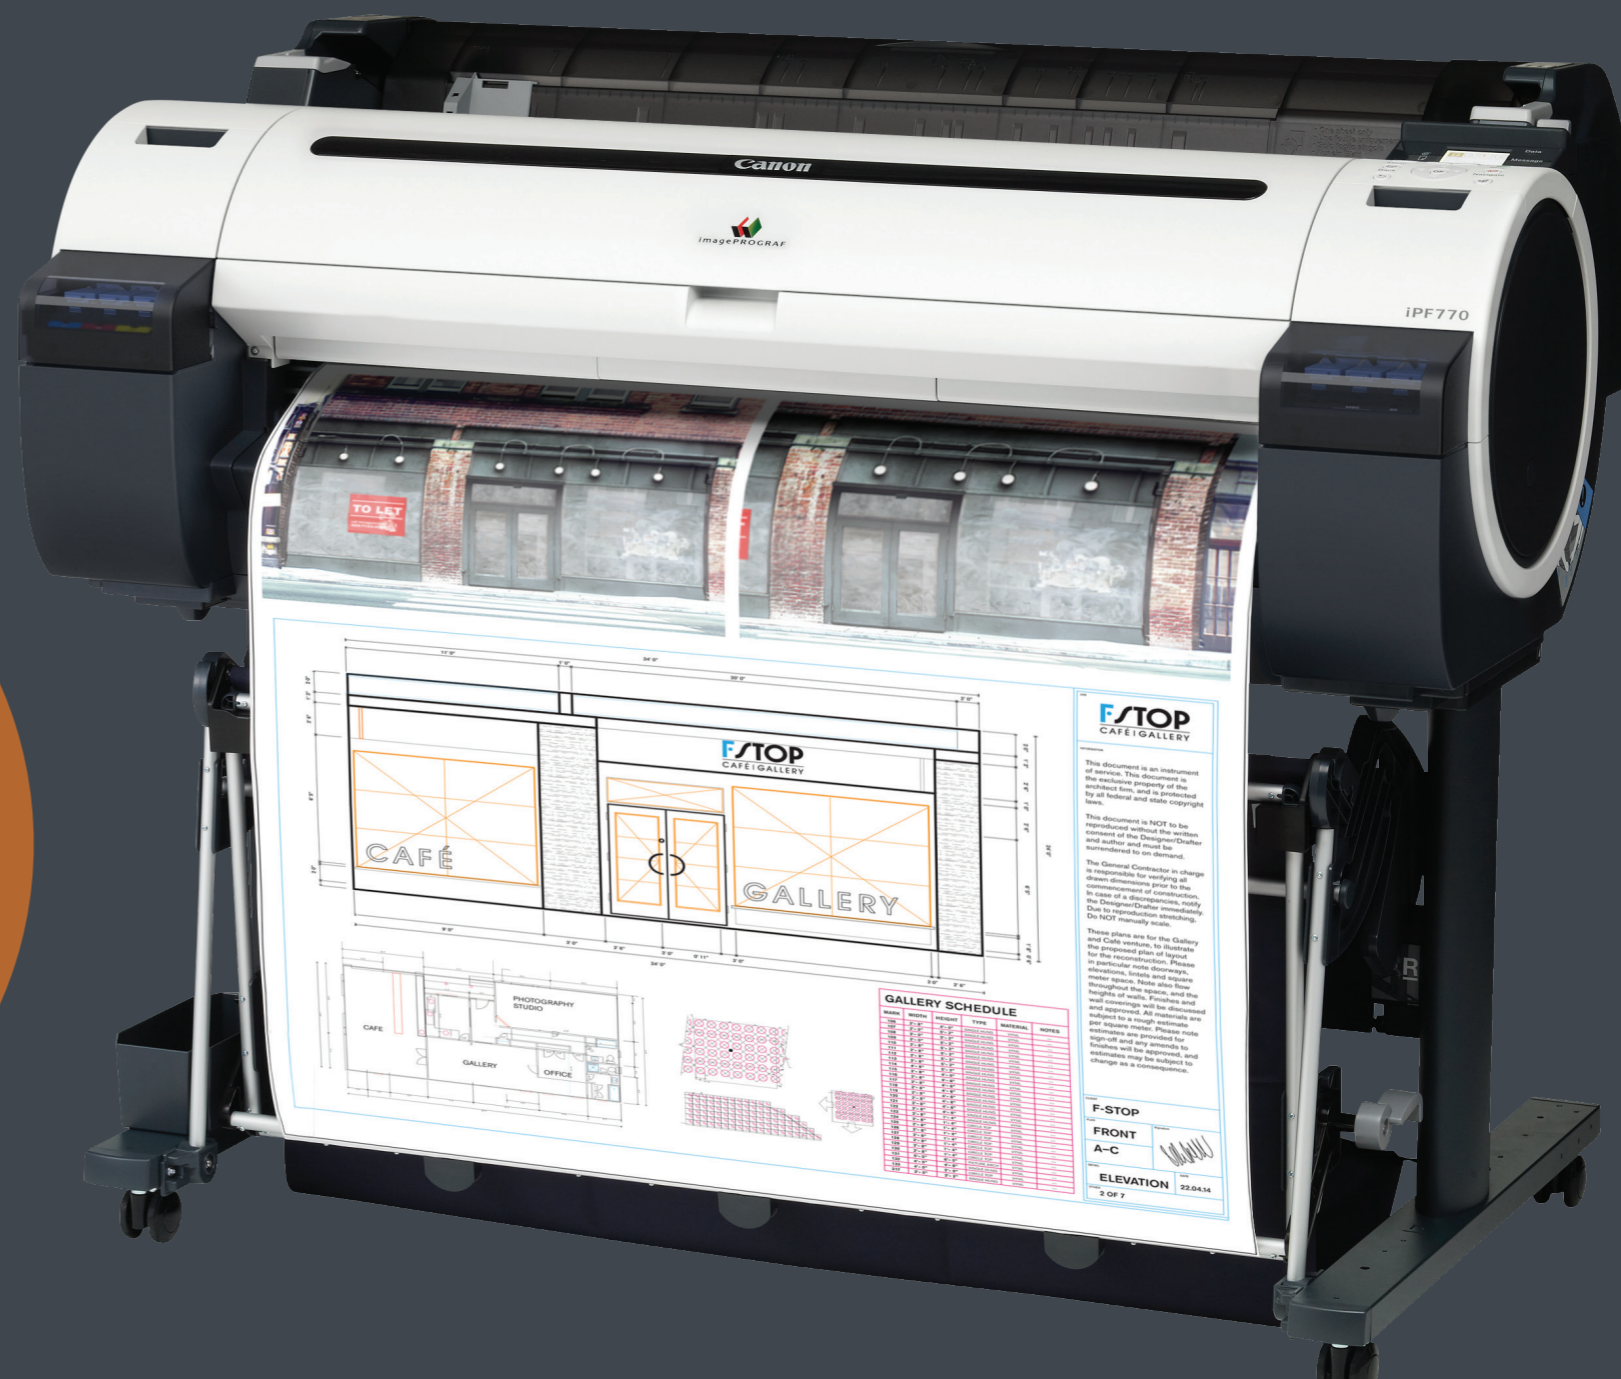

5-colour reactive ink technology for smooth curves, fine lines, detailed text and vibrant images

Full support for CAD applications with HP-GL/2 and HP-RTL

Economy mode for low cost prints – reducing ink consumption by approximately 50%

Borderless printing

Optimised iPF Driver for AutoCAD.
